Frame

Clear thinking revealed

A new expression of the modern bathroom that perfects both the performance of each function and the visual appearance. The result is the enrichment of the expressive potential of the bathroom, enabling personalization and the creation of a deeply satisfying space. Authentic design and functionality are connected in one collection.

All the well-thought details that make the Frame collection unique are at the forefront. With a colour chart composed of black, white-oak and beige and modern design language of thin edges and sleek lines, this enables users to express their style in the bathroom area.

Frame

VitrA Essentials

Illuminating ambiance

Controlled with simple hand gestures, the LED lighting option of Frame furniture creates a warm and appealing bathroom atmosphere. This practical application of advanced technology subtly enhances the modernity of the space.

Eye-catching details and enduring colours

• —

The washbasin cabinet has a lacquered surface and thermoform front with a natural wooden pattern, creating a cosy living room atmosphere in the bathroom. Frame bathroom furniture has stain, dust and scratch resistant “soft-touch” technology and offers black, white-oak and taupe colour options to appeal to all tastes. While Frame creates an unconventional bathroom space it does so with an appealing sense of comfort.

Sento

Common sense uncommon bathroom

The stunning design of Sento Collection is both charming and practical, meeting the individual needs of each bathroom. Sento's various modules present diverse and exclusive solutions for every bathroom to make them cozier and tidier. The collection offers various colours and forms for different tastes and preferences. Both mirror cabinets and standard mirrors offer an LED illumination feature.

Creating ease & beauty

The tall unit is designed with functionality in mind with shelves for storage, a laundry basket and power socket and also features a special area for storing personal care products. The tall unit is suitable for storing different size of cleaning materials. It prevents building-up of humidity with interior vents providing effective ventilation.

With open and closed alternatives for storage areas, mid-units offer a compact and convenient bathroom solution. The washing machine unit also has a closed cabinet including an integrated laundry basket and a shelf for storing cleaning materials. The elegant upper unit provides extra storage with its drawer and shelf details.

Sento

VitrA Essentials

Compact solutions

The collection offers a large range of products with suitable solutions for smaller areas. The washbasin unit is also available in a compact form, suitable for smaller bathrooms yet still providing extra storage.

Valarte

Timeless attraction

Valarte is created by enriching the timeless attraction of classic design with excellent complementary accessories and functions designed for modern needs.

Masterful blend

Valarte combines modern and classic aesthetics and offers functional solutions with open and closed storage options. With its wide product range and 3 different colour options, it enables an elegant bathroom design. Valarte's wood bathtub panels make it compatible with various styles of bathroom furniture.

Valarte offers a wide selection of washbasins ranging from 58 cm countertops to 65-80-100 cm vanity washbasins with optional metal pedestals. In addition to standard sized cabinet options, Valarte offers mid and open units that can be mixed and matched. The top cabinet takes advantage of unused space in your bathroom creating extra storage space.

A modern solution

The harmonious classical lines and wooden toilet seat covers of Valarte WC pans are complemented by the easy-to-clean and hygienic Rim-ex toilet bowl.

Integra

Spacious bathrooms

• —

Integra collection simplifies everyday rituals and brings comfort to the bathroom. Designed to fit any size of bathroom, the collection provides space-saving storage areas with style.

Smart solutions

Integra includes a wide range of products for different bathrooms.

Washbasin and tall unit alternatives provide flexible and adaptable storage solutions for small spaces. Functional attributes include a laundry basket inside tall unit for effective use of small spaces.

Another Integra bathroom solution is the double washbasin alternative for large families.

Spontaneous use of space

Developed from the search for a new design language to explore deeper connections in bathroom rituals. The result is a more coherent interaction of functions and more spontaneous use of space.

Memoria Elements opens the door to brand new and impressive combinations. The collection defines the bathroom as a new room and creates flexible bathroom scenario for modern lifestyles.

Combining functions

New multi-function designs in Memoria Elements save space and create new user experiences. Even the bench is not just furniture but a storage unit as well.

Saving space

Memoria Elements swivel cabinet offers 360-degree freedom of use an integrated mirror and a convenient bar for hanging clothes.

Elegant pieces maintain the modern and aesthetic design line of VitrA's bathroom furniture featuring units such as side tables with storage functions, mirror cabinets with lighting, and extra open and closed storage areas to maximise space utility.

Chasing innovation

The seamless technical solutions of Memoria shower column, makes the shower area an integrated, lean and aesthetic part of the bathroom space.

Shift

Simply functional

Designed in collaboration with German design studio NOA, the curved lines and deep basin lend a simplistic and beautiful bathroom collection. The wide variety of washbasins allows stylish bathrooms in every size and design.

Ceramic virtuosity

A simple design shaped with round lines presents an attractive bathroom feature.

Outline washbasins created with durable cerafine material offer exciting design freedom. Modern, authentic and charming, Outline washbasins come in 5 different forms - TV, oval, square, pebble and round, and in 5 colours - matte black, matte mink, matte taupe, matte white, and white

Outline Bowls

VitrA Essentials

Refined minimalism

The innovative and modern design of Frame gives a striking new look to washbasin collection. Frame countertop washbasins stand out with their geometric form and fine design.

These washbasins are available in 5 distinct forms and 4 colours - matte white, white, black and matte black. Alternatives with and without faucet area combine functional aesthetics with different usage options.

Frame Bowls

VitrA Essentials

Natural simplicity

Nuo washbasins have elegant, functional and minimalist lines. All Nuo washbasins have been redesigned for a more modern look and provide precisely the right combination of depth, shape and inclination to promote the maximum flow of water to the waste area. This prevents build-up of residue on the bowl surface making it easier to keep clean.

Geometric harmony

Geo washbasins have been redesigned for a better functionality keeping the original forms. Oval and rectangular forms revive with Geo washbasins. With geometric lines, Geo washbasins adapt to each and every bathroom

The ultimate integrity

VitrA Pattern enables printing unique designs on acrylic shower trays. That can be a requested pattern of a project, a ready pattern of VitrA tiles or a pattern which is custom design. It can be applied on a zero surface or a flat shower tray. VitrA Pattern, providing freedom of creation for designers with its rich size and pattern options, combines hygienic characteristics of acrylic with resistance and durability of digital UV printing technology.

Simply fulfilling

Origin shower system with massage function brings minimal and modern design to bathroom. It provides ease of use with a hidden rack and ease of cleaning with its glass body. Massage jets and head shower with rain-water flow offer joy and comfort. White, black, taupe colour options bring compliance to every bathroom.

V-Stone

Reflections of nature

V-Stone shower trays that are produced from solid stone material carry sense and appearance of natural stone to your shower area with its textured surface. V-Stone has Taupe, Anthracite, Grey and White colour alternatives and syphon covers with matching colours. Size options include; 90x90 cm, 120x90 cm, 140x90 cm, 100x80 cm, 120x80 cm and 140x80 cm.

Natural elegance

4 Life Cocoon bathtub, stands out with its unique design. This elegant bathtub can be equipped with hydro-massage function for an additional pleasure.

Minimalist design

Vetro control panel provides colour harmony with ceramic products in bathroom such as WC pan and washbasin with its black, white, taupe and mink colour alternatives. It brings a new breath for bathrooms with its glass material. Thanks to its mechanic operating mechanism and two different buttons, it provides water-saving by presenting water usage options in small and large volume.

Innovative glass design

Vitrus Glass Cistern stands out with its elegant design and offers an alternative solution for stylish bathrooms. Vitrus is easy to install and its large cover opening provides ease of maintenance, with black and white colour alternatives.
