Ceppostone

Ceppostone

A colorbody porcelain collection that interprets the elegant Ceppo di Gré of Italy. Ceppostone reinvents the large, granular texture of Ceppo di Gré, a special stone valued for its beauty and strength since ancient times. The collection brings together the grey and mink of the ColorCode approach with modular sizes and offers a high degree of durability that makes it suitable for all usage conditions.

İtalyan Ceppo di Gré'yi yorumlayan colorbody porselen koleksiyonu. Ceppostone, antik çağlardan bugüne iri taneli çakıl taşı dokusuyla karakteristik bir kullanım sağlayan özel taşı yeninden yorumluyor. ColorCode yaklaşımındaki gri ve vizonu, modüler ebatlarla bir araya getiren koleksiyon, colorbody bünyesinin dayanıklılığı sayesinde tüm kullanım koşullarına uyum sağlıyor.
