

CASLA  
QUARTZ

# FUTAR

is the exclusive distributor of

CÀSLA  
QUARTZ

in Singapore

Caslaquartz is a premium brand of engineered quartz with the highest international quality standards.

Founded in 2004, Caslaquartz products are certified to meet global strict standards in these markets.

With state-of-the-art production lines imported directly from Breton S.p.A, Italy and large fabrication system including: Genya cutting machines, CNC machines, and Edge Polishing Comet machines of international standard.

Casla premium quartz stone is the proof of the unequal level of engineered quartz, fully satisfying the factors of delicate aesthetics, luxurious as well as high resistance to deep abrasion, impact resistance, heat resistance, antimicrobial and ensure food-safety when processing on the surfaces.

Casla quartz stone is confident to meet all requirement of different individuals, it is being used in premium hotels, famous universities, luxury apartments or villas.

Casla quartz stone lends the great elegance and to be the focal point in the interior surfaces with multiple applications from kitchen countertops, vanities to desks, dining table and many more.
